Coldly, Sadly Descends the Autumn Evening.

A flower in full bloom is the end of the beginning.

A harvest moon risen on a crisp night is the end of the beginning.

School is the end of a beginning — the beginning of long friendships, the beginning of books, the beginning of being taught, and the beginning of learning.

Days slip by without our realization; but when it's our turn to bloom, we find we are ready to continue on to another beginning.

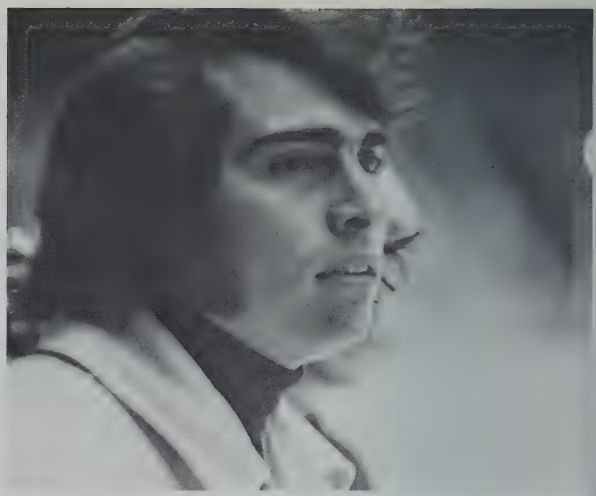
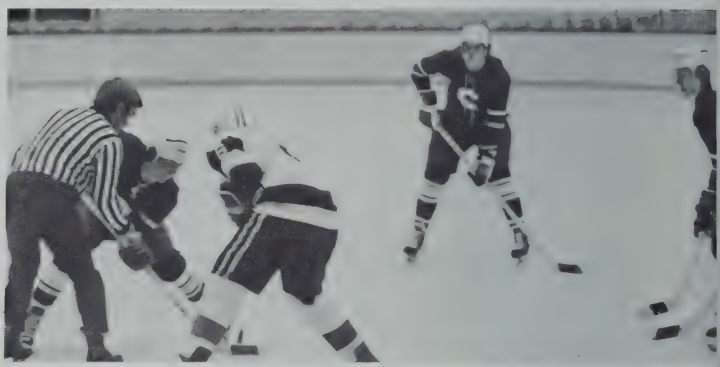
Hockey

The 1973-74 edition of the Red Raiders Hockey Team could be called a team for the future. The Raiders had a record of 3-15-2, however, they lost 11 games by one goal which isn't bad for a team with only two seniors. Marty Ryan and Mike Sullivan were the seniors this year. Ryan, an all Western Mass. candidate, is one of the best players to have played at Commerce and plans to go to Michigan State. Mike Sullivan was a real digger who always gave 100% and one of the best hustlers on the team. Coach Burgess feels the team played well and improved greatly over the season.





First Row, Left to Right: Kevin Flannagan, Tony Grilli, Danny Carestia, Curt Ostrander, Ron Mack, Glen Ladd, Mike Tranghese, Matt Belleville, John Pino, **Second Row, Left to Right:** Coach Burgess, John Manzi, Ben Richards, John Auclair, Scott Marchese, John Singleton, Hal Etkin, Bob McCarthy, Bob Randall, Mike Sullivan, Wayne Marchese, Jay Randolf, Phil Bonc, Assistant coach Tom Ryan.

Craig Chernak, Mark Lanzillo, and Larry Egerton represented the High School of Commerce in the Western Mass. Wrestling Tournament which highlighted this year. Undermanned and hit by injuries, the team had a disappointing season.

First Row — Left to Right: Gary Tebbetts, Wayne Mitchell, Craig Chernak, Mark Lanzillo, Paul Giroux. **Second Row — Left to Right:** Richard Scruggs, Bobby Willingham, Larry Egerton, Roberto Diaz, Olando Taylor.

Class History

Freshman Year

On September 8, 1971, five hundred seventy-two Freshmen walked up to High School of Commerce which was displaying the banner "Welcome Frosh 74". Some of us were lucky enough to have upperclassmen for friends to escort us to our homerooms.

On our first day, we had our first assembly, which promised a great future and jobs or college when we graduate if we kept up good attendance and marks. Also explained to us were the procedures and functions of our school, such as G.O. and Commerce.

Our first month was enlightened when Lt. Governor Donald Dwight spoke to us about state government and let us out of school early. Later that week, we were entertained by the Spurrlows who are a famous musical group.

The next activity we were involved in was the election rally held in December. Elected were: President, Jo-Anne Provost; Vice President, Annette Dodson; Secretary, Roberta Peet. Student Council members were: Jeannine Barcome, Linda Belrose, Sandra Jiles, Mary Ann McMahon, Marilynn Miller and Cheryl Rancore.

As Freshmen, we were honored to be among the first group of underclassmen to be invited to the Senior Christmas Dance, which was held December 17, at the Stonehaven Motor Inn. Also in December, we had a much appreciated vacation and came back with a little more confidence.

In March, the Commerce Raider Machine became Western Massachusetts Champs. Two months later, a car wash was held at Zayre's parking lot on Boston Road. Our efforts gained $62.00 for our class treasury.

For the first time in the history of Commerce, Freshmen and Juniors were allowed to observe Class Day Activities. So ended our Freshman Year and we left, looking forward with anticipation to our Junior Year, knowing very well that it will not be an easy one — for many of us a year of hard study ahead.

Mary Lyons

Junior Year

On September 6, 1972, members of our Junior Class stepped into familiar halls of the High School of Commerce, looking down on the newcoming Freshmen that reminded us so much of our first arrival at Commerce.

After becoming accustomed to the regular schedule of classes, events began to happen. First, the Freshmen Handbooks, explaining the school rules and activities and School Handbooks, compiled for parents and students, were distributed.

Then elections of class officers took place. The Junior Class Officers elected were: Jo-Anne Provost, President; Linda Harden, Vice-President; and Marilyn Miller, Secretary. Student Council members were: Connie Henry, Threse Quill, Cheryl Rancore, Linda Rezzani, Donna Stephen, and Theresa Winters.

Soon, the class rings ordered in our Freshman year were delivered and the Juniors walked tall and proud showing off their gleaming rings.

This year, two evaluations were taking place: (1) The Student Rating by the teachers to the counselors and (2) the Commerce Evaluation By The New England Association of Schools and Colleges. Everyone hoped for another ten-year accreditation.

Although Commerce lost their basketball coach, the City gained a new Mayoral Aide, Mr. Henry Payne. Mr. Payne was then replaced by Mr. Michael Martin.

Our second car wash was a success financially as well as socially. We all had fun.

Smoking privileges were also gained.

The end of the school year was signalled by the Junior Prom with Myrna Rivera elected as Prom Queen. Proudly attending her were: Darlene Bryant, Debbie Sibilia, Beverly Barber, Sally White, Donna Stephen, and Lynne LaBelle.

At Class Day, we sang to the Seniors, a parting song to the tune of the "Love Theme" from Romeo and Juliet.

The year came to an end with Juniors envious of the graduating seniors, but patiently anticipating the coming of their last — the final year — at the High School of Commerce.

Senior Year

On September 5, 1974, proud Seniors filed into the High School of Commerce for the long-awaited final year. Stopping briefly to greet our friends, we hurried to get the symbol of our seniority, our Senior hats.

Something new was instituted into our program. Any Senior with a 7th period study was given permission to leave the building. Many Seniors were not assigned to a study hall. This was our reward for helping receive our ten-year accreditation. We all became very proud of this fact and through a combined effort, strove to maintain the high standard attained by **our** school.

Senior class elections were a surprise. Inspite of Women's Lib, the Senior class gave the honor as president to Joseph Boyle. Elected as vice-president was Sue LeClerc and as secretary, Lynne LaBelle. Student council members were Deborah Barton, Donna Bass, Connie Henry, and Theresa Winters.

In keeping with the other high schools, we finally got an additional assistant principal and we were very lucky to get Mr. Gene Basili.

Football season was exciting. The highlight of the season was when Commerce beat Classical.

All our sports had a good season; soccer, hockey, bowling, and basketball. The basketball team, of course, excelled as usual.

Soon the holiday season was upon us. The Annual Toy Drive went into effect and toys were contributed, repaired, and distributed.

The Christmas Dance held at the Civic Center was one of the most successful in the past few years. Music was provided by the Dynamic Desitations.

Before we knew it, measurements for caps and gowns were being taken and only a few weeks of school remained. Early dismissal for seniors was set for May 15. Class Day, May 10, and the Prom, on May 25. Class Day was followed by the Banquet, which was held on May 11th. Reigning as Queen of the Prom was Debra Sibilia, surrounded by her beautiful attendants, Eugenia Pianovich, Pamela Wilson, Carmen Natal, Mary Cole, Gwen Godbolt, and Debbie Racine.

At last the day we were working for arrived, June 5 — Graduation Day for the Class of '74.

We would like to extend to our fellow classmates best wishes for good health and good fortune and continued good friendships in the coming years.

We would like to express our gratitude to the faculty of the High School of Commerce for their understanding and to our assistant principals, Dr. Gladys Midura, Mr. John Troy, and Mr. Gene Basili for their help and guidance at all times and to Mr. Philip Sweeney, our beloved Principal, our deepest **thanks.**

Lynne LaBelle

You're about to take a giant step forward into your future. We think we can make it the bright one you want it to be at New England Telephone. With a job that's every bit as big as your ambition. You see, we need people. With all kinds of talents. And especially, people who really want to get going with their future. And want to be rewarded with automatic raises. If you want a job and a future that's tailored to your talent... along with unusually generous fringe benefits, stop in and see your guidance counselor. Ask when and where you can apply for an interview with the people who want to make your future as happy as you want it to be.
